# ABOUT US

At CROMMELINS we always put the customer first. We respond promptly, deliver a quality product, provide the right information, follow up, and keep our promises. We approach every situation with a 'Can Do' attitude and use the 'One Team' method to make sure that the solutions we provide are cohesive and safe.

From humble beginnings selling equipment out of the back of an EJ Holden, CROMMELINS has grown to be the strong family owned business it is today. Employing over 35 people nationally whilst being a supplier of choice to the hire and rental industry for portable powered equipment.

## SAFETY & TRUST

We care about the health and wellbeing of our staff, visitors and customers

## CUSTOMER FOCUS

We respect our customer and always put them first

## CAN DO & INNOVATION

We go the "extra mile" and always look for ways to innovate and improve our offerings

## ONE TEAM

We work together to achieve our common goals. One Team – One Goal – No Limits

## REWARD & RECOGNITION

We recognise the efforts of our team by celebrating wins and rewarding high performance

## TAKE OWNERSHIP

We take responsibility for our actions, fix problems and learn from them

# CROMMELINS DIFFERENCE

CROMMELINS has always been at the forefront of innovation within the Australian market and this has been powered by the experience of its staff in listening to what the customer needs and introducing products that meet the demands of the industry. All products are rigorously tested

and constantly reassessed to ensure they can outperform. With more than 60 years in Hire and Construction and a founding member of the Hire and Rental Industry Association, Crommelins has been providing high quality portable powered products to Australians since 1958.

## PREFERRED SUPPLIER TO THE HIRE INDUSTRY

Over their long history, CROMMELINS has laid a foundation of reliability and trustworthiness and have built healthy relationships within the Hire and Rental industry.

## AUSTRALIAN OWNED, EST. IN 1958

With a long Australian history you can trust that CROMMELINS will always do their best to look after Aussie needs.

## QUALITY PRODUCTS

Moving forward doesn't mean letting go of the quality products they are known for. You'll always be able to rely on and trust anything from THE CROMMELIN GROUP.

## NEW PRODUCTS, INNOVATIVE TECHNOLOGY

Crommelins continues to invest in new generations of products and the latest technology. Only products that stand-up to their rigorous testing will receive the CROMMELINS tick of approval.

## RELIABLE SERVICE

When you've bought a product, CROMMELINS will go that extra mile to assist you when you need parts, service or backup support.

## CUSTOM PRODUCTS

CROMMELINS products can be customised to meet your needs thanks to the flexibility their local manufacturing capacity allows.

# BLUEBIRD STUMP GRINDER.

Bluebird’s Stump Grinder maximizes cutting performance with its 14” (356mm) diameter blade with carbide-tipped teeth, offering a variable cutting depth up to 12” (300mm). The compact design and clean sight lines of the stump grinder make it easy to use and maneuver through narrow gates and other tight areas.

### STANDARD FEATURES

- Up to 12” (300mm) cutting depth
- 14” Cutting wheel with replaceable tungsten carbide-tipped teeth
- 13.0hp GX390 Honda engine with cyclone air filter
- Adjustable handle enables the operator to maintain a comfortable and safe stance throughout the stump grinding job.
- Hayes disc brake - lever activated
- Handle brake and levers
- Greaseable pillow block bearings support cutter wheel
- Lift handles for transport and storage
- 12” Pneumatic knobby tread wheels

# DE-THATCHERS.

These machines are for removing years of build up of dead thatch in lawns. Using flail or fixed knife blades they will strip the thatch which is then raked up. This then promotes healthy regrowth and improved water absorption.

## IDEAL FOR

- Hire and rental
- Contractors
- Councils
- Government departments

## VM15R STANDARD FEATURES

- Ribbon steel blades for long life
- Simple and easy to use
- Low maintenance
- Heavy gauge steel frame
- 6 month manufacturer's warranty

Note: Not recommended for buffalo lawns

## PR18 STANDARD FEATURES

- Flail Blade (for removing matted thatch).
- Ergonomic handle with padded grips to reduce operator fatigue
- Three-position handle for user comfort
- Folding handle for transport
- Strong steel frame

## PR18 OPTIONAL EXTRAS

- Delta blade - thinning running stem grasses.
- Flail blade - removing matted thatch

# SOD AND TURF CUTTERS.

Where there is turf to remove, these Sod-turf Cutters will cut up the competition! A low center of gravity, and a vibration-isolated handle make it the smoothest and most stable to use.

## SC550 STANDARD FEATURES

- Simplified depth setting adjusts up to 2.5" (60mm) depth.
- 5 x Speeds (2 x Cut speeds, 2 x Transport, 1 x Reverse)
- Soft grip rubber handle reduces vibration
- 4WD Operation for extra torque
- Up to 1404m<sup>2</sup>/hr - low speed productivity
- Up to 1822m<sup>2</sup>/hr - high speed productivity
- Strong steel frame
- Lightweight aluminum plate arms reduce vibration and feature maintenance-free ball bearings
- 10" semi-pneumatic v-tractor tread wheels

- Government departments

## OPTIONS

- **Turf Cutting** - Using the wedged blade driven by an oscillating cam, the machine can cut to a depth of 1-10 cm and a proficient operator can cut turf from 20-50m per minute, depending on requirements and conditions
- **Turf Slitting** - can be achieved with three, four or five vertical blades used to break compaction on bowling greens, golf greens and tees, tennis courts, etc
- **Trenching** - uses a v-shaped blade and will cut into turf for the laying of reticulation pipes, etc
- **Mole Draining** - uses a bullet shaped blade which is suitable for dragging conduit and the like underground

# BLUEBIRD LAWN AERATOR.

This self propelled aerator is used to core holes into compacted lawns. By removing the cores this allows the soil to loosen and water to feed directly to the root matter.

## STANDARD FEATURES

- 30 x 2cm Coring tines (closed spoon design) hardened for long life
- Genuine Honda industrial engine
- Rotating tines for easy turning
- Aerating pattern 76-100mm
- Up to 2034m<sup>2</sup>/hr productivity
- 2 x 16kg removable weights
- Front wheels - 10" semi-pneumatic
- Rear wheels (8" solid rubber)
- Fold down handles for easy transportation and storage

# WATER-FILLED LAWN ROLLERS.

These simple, no fuss rollers are very easy to use. Operate the roller by placing the unit on the lawn, filling it with water and then pull the roller along the lawn to flatten out.

## 60L POLY WATER ROLLER FEATURES

- Lightweight (when unfilled)
- 25mm double bung system for quick emptying
- Steel handle and frame
- Impact resistant PVC roller

## IDEAL FOR

- Hire and rental
- DIY

## GALVANISED SPIKED ROLLER FEATURES

- Galvanised
- Internal galvanizing protects when filled with water.
- 600mm operating width
- 300mm diameter
- 150mm spikes

# GTM ELEPHANTS TRUNK

Exclusive to CROMMELINS, the GTM Elephants Trunk is an ergonomically designed harness to take the weight of a hedge trimmer off the operator. Comfortable and easy to setup, this will reduce operator fatigue and risk of back/arm injury to work all day safely, in comfort, with less effort.

## STANDARD FEATURES

- Adjustable strapping (for all sizes)
- Suited to petrol powered hand held tools such as hedge trimmers and long-reach hedge cutters
- Adjustable tension cable reduces apparent weight to no more than 1.5kg (20N to 30N)
- Tension cable winds in/out to operate at all heights
- Rotates up to 15 degrees for off center operation
- Seperates into 2 peices for storage and transport
- Carry bag included.

## IDEAL FOR

- Landscaping
- Garden contractors
- Shires and councils
- Parks and gardens
- Golf courses

### **OTHER BRANDS WARRANTY**

Other branded products come with warranties provided by their manufacturer, ie. Golz, American Sanders, AR Blue Clean.

—  
**AWARD WINNING  
SERVICE &  
BACKUP**

# WARRANTY EXPLAINED

Crommelins Machinery warrants their goods against defects in materials and workmanship under normal use and service.

The Crommelins Machinery warranty does not cover fair wear commensurate with the age of the product, any damage caused by accident, abuse, misuse, neglect or failure to observe proper operating instructions or proper machinery maintenance as described in the instruction manual.

It is the owners responsibility to regularly maintain a product in accordance with the owners manual and only use the equipment for its designed purpose.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

## CONSUMER ADVICE

Any claim under these warranties must be made within warranty period from the date of purchase of the product.

To make a claim under the warranty, you must return the product (with proof of purchase) to the closest warranty agent or to the place of purchase.

Where a failure does not amount to a major failure, Crommelins Machinery is entitled to choose between providing you with a repair, replacement or refund. To obtain compensation, you would need to provide documentary evidence of the loss or damage suffered, and documentary evidence that such loss or damage was a reasonably foreseeable consequence of a failure by Crommelins Machinery to comply with a consumer guarantee under the Australian Consumer Law.

CROMMELINS™, CROMTECH™, CROMTECH OUTBACK™, CROMMELINS FINANCE™, DOLPHIN™ is registered trademarks of Crommelins Operations Pty Ltd, trading as The Crommelin Group.

## SERVICE AGENTS

There are over 185 national authorised service/repair agents available, visit [www.crommelins.com.au](http://www.crommelins.com.au) for their details and locations. For engine brands other than Robin please contact the manufacturer for service agents.

## CROMMELINS PRODUCTS

Crommelins takes pride in all products they sell and they live by their company Mission Statement; "To be the supplier of choice to Hire and Construction Industry by providing high quality portable powered products."
