CROMTECH™ GENERATORS

Introducing the new CROMTECH™ range of petrol Generators, a high quality, simple, no fuss unit designed for general purpose use.

Assembled and tested in our Australian factory, the range is powered by genuine Subaru industrial engines ensuring outstanding performance.

The low maintenance Italian Mecc Alte Alternator is brushless and comes with overload protection.

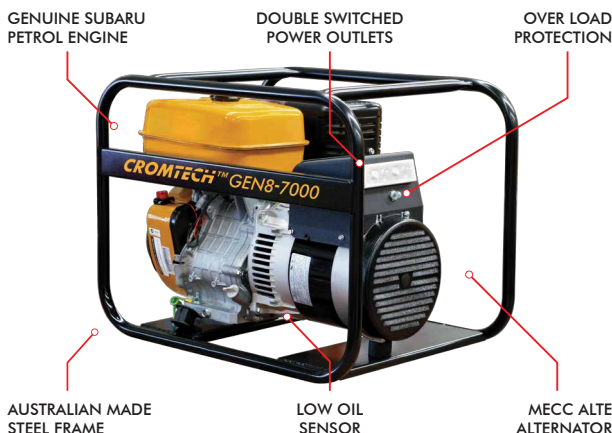

The Australian made steel roll frame protects the generator from un-foreseen damage.

Cromtech Generators are supported by a national service and spare parts network and include 3 Year Subaru engine warranty and 2 Year manufacturer's warranty.

STANDARD FEATURES

- Genuine Subaru engine with low oil sensor
- Genuine Mecc Alte brushless alternator
- Double switched power outlets
- Australian made steel frame
- Australian assembled and tested
