2.4KW LEISURE GENERATOR

CROMMELINS.COM.AU

CROMTECH OUTBACK 2.4KW INVERTER GENERATOR

The Cromtech Outback inverter generator 2.4KW is the most compact and lightest model in its class. This model is ideal for camping, caravanning & RVs due to its compact suitcase shape. It is also suitable to power portable fridge freezers, a small office and small power tools.

Some key features include two AC power outlets, two USB outlets and also a 12V DC outlet. The fuel-saving eco-mode minimises fuel consumption and allows for up to 20 hours* use on 5 litres of fuel. There is also a bonus dust cover for storage and to protect it from the weather.

Crommelins Machinery hand-selected this inverter generator for its recreational and domestic use. It is confidently backed with an Australian wide two-year Cromtech domestic warranty and also local service agents covering every part of Australia.

STANDARD FEATURES

- Two AC power outlets (230V)
- USB Outlets (5V-2 Amp)
- DC Outlet (12V-8Amp)
- Main LED sensors (low oil alarm, overload protection, output light)
- Eco-mode adjusts output as load requires and lowers noise
- Super quiet running at 52-59Db at 7m
- AC Reset button
- 4-Stroke, Forced air cooled, OHV
- Recoil start
- Pure Sine wave
- Easy maintenance with convenient access ports
- Lightest model in its class at 19.8kg
- Two-year Cromtech domestic warranty
