# CROMTECH INVERTER GENERATOR 7000iA

Introducing the Cromtech Inverter Generator 7000iA. This generator is powerful with a maximum output of 7000 watts and a continuous output of 6000 watts.

A unique feature of this model is its Automatic Transfer Switch (ATS) connection socket integrated in the control panel. This connection allows it to be directly utilised as a backup home generator\*.

This generator comes with a CROMTECH™ 1 year warranty with Australia-wide support and service network.

\*Model: TG7ATS is sold separately.

**Get it from your local dealer today!**

## STANDARD FEATURES

- Remote and electric start with recoil start backup
- Automatic Transfer Switch connection
- 2 wire remote start connection
- 2x15 Amp IP66 weatherproof outlets
- 1x32 Amp IP66 weatherproof outlet for maximum power from one outlet
- Up to 17 hours continuous running (depending on load)
- Eco switch adjusts engine speed to load required (lowering noise and fuel consumption)
- Interactive control panel
- Easy maintenance with convenient large access doors
- One year Cromtech warranty

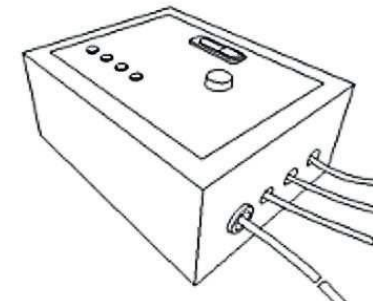

## MOBILE APPLICATION

- Bluetooth start with the mobile app, compatible with both Android and Apple devices
- You can stop and start the generator, change the operating modes, check fuel levels vs current load and get maintenance prompts plus a host of other important information
